# 1 Introduction

## 1.1 Overview

*This document gives a little information on the Software Product that was created for the CCMT.*

## 1.2 Product Description

*As of this moment the product that was submitted is a .zip file of the program code. This zip file contains the program code, as well as three referenced libraries that are necessary for the code to run.*

## 1.3 Login Information

*This table below contains the valid usernames and their corresponding passwords to login to the system.*

| <b>USERNAME</b>  | <b>PASSWORD</b>   |

## **A GROUP LOGS**

### **A.1. Meeting Minutes**

#### **A.1.1. March 20, 2022, 3:00 - 4:00pm**

**Location:** Online via Zoom

**Attendees:** Maria DeMelo, Emma Ude, Erfan Razavi

**Agenda Item 1:** How do we split the work?

We split the work. Emma and Maria would work on the back-end code and Erfan and Jason would work on the front end.

**Agenda Item 3:** What are our deadlines for the assigned work?

We planned to be done with this part by Friday this week.

#### **A.1.2. March 28, 2022, 2:00 - 4:00pm**

**Location:** In person

**Attendees:** Maria DeMelo, Emma Ude

**Agenda Item 1:** Maria and Emma worked on some issues with the front end

#### **A.1.3. March 28, 2022, 9:30 - 10:30pm**

**Location:** Online via Zoom

**Attendees:** Maria DeMelo, Emma Ude

**Agenda Item 1:** Maria and Emma met up to work out some issues with the database

#### **A.1.4. March 29, 2022, 8:00 - 9:00pm**

**Location:** Online via Zoom

**Attendees:** Maria DeMelo, Emma Ude

**Agenda Item 1:** Maria and Emma met up to work out some issues with the database display and to see each other's progress.

### **A.2. Group Activities**

- Maria and Emma worked on the back end of the system
- Erfan and Maria worked on the front -end of the system

- *Emma worked on the database*
- *Jason and Erfan tested the final product.*

### **A.3. Additional Communication Information**

*The group's main mode of communication is a Whatsapp Group chat. We talk there regularly between meetings to discuss issues with our work. We also use Whatsapp to pick a time for our meetings. We used this group chat to check in with each other at each stage of the assignment to ensure we were all on the same page.*
